## Visioneer Environmental Eco Action Plan

### Basic policy

Visioneer proactively promote the following initiatives to meet the goal set in the Visioneer Environmental EcoEarth 2030:

- Create eco-conscious products
- Reduce CO<sub>2</sub> emissions
- Strengthen resource circulation in our business activities
- Reduce the burdens of business operations on the ecosystem
- Expand conservation of electricity and water. Reduce Waste.
- Increase employee awareness of environment conservation and effort to sustain it.
